

Our Block of the Month Program

September will be the last star pattern block for our patriotic quilt tops for the Block of the Month program, 2023. We will be putting the tops together at the Allen Quilt Guild sew-in on September 21st at Not Your Mama's Quilt Store in Plano. Hopefully you can bring your sewing machine and supplies to help put together quilts for our Quilts of Valor Program in November.

September Block of the Month: Quilter's Choice

There is a wide variety of 12 ½" unfinished (12" finished) star quilt blocks available online. Take a look at some of the ones listed below or find one that appeals to you or remake one of the other months' patterns.

We are almost there for the 11 quilts needed for the QOV Program in November. Your help in completing the 9 BOMs in time for the sew-in is greatly appreciated. My heartfelt thanks to everyone who has participated this year. Happy sewing, Roxy
