## February 2026

### *From President Debra*

I hope everyone survived our winter storm and got lots of sewing time in. I sure did. Living in Ohio for many years, I learned one just doesn't go out when it's icy; there is nothing you can do to be safe on ice. Now that February is here, we have one more month of possible dodgy weather. Be safe!

Our speaker this month, Earamichia Brown, will discuss "How technology is Revolutionizing Quilting." While attending the Houston Quilt Show, we saw many AI generated quilt tops. It will be fascinating to hear the progression of quilting through technology.

There are several things happening in February, the Quilt of Valor National sew day on February 7<sup>th</sup>. If you want to sign up contact Elaine at [bebrice54@gmail.com](mailto:bebrice54@gmail.com) quilters can join in person at Ready Set Quilt, or quilt at home remoting and still be part of the day.

On February 28<sup>th</sup> we will have a new member coffee at Panera Bread in Watters Creek, 10:00am. This is a great time to meet the board and other members of the Guild outside of the meeting. This is open to all members, but especially anyone that joined in 2025.

We unveiled our 2026 Raffle quilt "Fireworks" in January. Our quilt this year honors the 250<sup>th</sup> anniversary of our great country. Please promote our quilt and sell tickets wherever you can. Lorraine is organizing the road show and will need volunteers to attend other Guild meetings to sell tickets. This is a great way to see what other Guilds are doing.

Happy Quilting,  
Debra

Special thanks to our officers and committee chairs for  
their time and contributions to the guild!

**Minutes of the January 15, 2026  
General Membership Meeting of the Allen Quilters' Guild**

Date & Time: Thursday, January 15, 2026 @ 6:30 p.m.

Location: Blue House Too Gallery, 970 Watters Creek Blvd., Allen, Texas 75013

The meeting was called to order, at 6:30 p.m. by Debra MR, President. There are 2 speakers that will precede the guild's business meeting.

**Embrace Texas** – Mary Hendrix from Embrace Texas, one of the recipients of the guild's community service projects, spoke about the work that the organization does and how the guild can assist them. Ms. Hendrix estimates that they will need 35 quilts this year, for infants to 3 years old. Quilts would be tied to specific events that Embrace holds and would get the quilts just ahead of the event. She also spoke of the need for pillowcases in Cowboy/Western theme for the kids in summer camp. There is a Facebook group, The Loop, regarding donations for foster families. See Debra for the link and more information.

**Quilts of Valor** – Elaine reported on the QOV Committee's plans for 2026. There are 2 spots available on the committee. Members of the QOV Committee make block kits, participate in the award ceremony and prepare quilts for presentation at award ceremonies. Guild members can participate by being the QOV Volunteer Army and by (1) picking up block kits to stitch at home, (2) longarm quilt the tops, and/or (3) bind the quilts. The QOV 2026 National Sew Day is scheduled for Saturday, February 7, starting at 10 a.m. and will be held at Ready Set Quilt. See other dates and times in the newsletter.

**Business Meeting**

The minutes of the November 20, 2025 General Membership meeting were published in the Guild's December newsletter. Hearing no additions or corrections to the minutes, the minutes are approved as printed.

The Treasurer's November and December reports were published in the Guild's December and January newsletters, respectively. Hearing no questions regarding the report, the report is filed for audit.

A New Member Coffee is scheduled for February 28 at 10 a.m. and will meet at the Panera Bread in Watters Creek.

Debra reminded everyone that there are several volunteer opportunities for guild members and the sign-up clip boards are at the table in the front.

## Guild Officers – Programs - demystified!

Continuing with explaining our Board positions, this month the focus is on Programs. Keep in mind any of the Board positions can be shared with another person.

Do you like to find new ways of doing things or hearing from different people about the quilting industry? Are you a planner, do you like to organize events? The Program Vice President

The duties of this position are not that demanding. This is what Program VP does:

- Coordinate the speakers for the upcoming year April through March
- Provide the Program updates for the newsletter
- Collect program fees and pay speakers
- Coordinate the workshops – arrange for a workshop location, get the information from the presenter, publish in the newsletter, take the payment, pay the presenter
- Oversee:
  - Block of the Month (find someone to run the program)
  - Christmas Brunch and summer picnic– Organize a committee to assist
  - Retreats – oversee this sub committee
  - Quilt of Valor – Oversee the program – Elaine and Carol run it

It would be great if someone would like to shadow Pam and Cheryl this year or for the last few months of the year to get a feel for the position. If you are remotely interested, attend one of the board meetings and get a feel the role.

## Block of the Month by Janice S

The Block of the Month for 2026 is a mystery quilt with a different block each month.

Most blocks are in the “confident beginner” range. I’ll share video tips and tutorials for anything that might be a little more challenging. All the blocks are machine-pieced (no applique’). There will be a setting for the quilt provided in early December 2026. I will also have some fun bonus projects to share with you along the way. I hope you’ll join in the fun. Can’t wait to see your blocks at Show ‘n Tell.
