## January 2026

*From President Debra*

Time is flying, I thought when you retired things were supposed to slow down, that did not happen! Wow, 2026, the 250<sup>th</sup> birthday of our United States and my son turns 50 this year, whoa!

Thank you to Brenda B for hosting our Holiday Party and to Pam and Cheryl for organizing a wonderful day. I always enjoy our Christmas lunch, lots of time to visit.

We have a great year of programs thanks to Pam and Cheryl's hard work. At our January meeting, everyone will have the opportunity to introduce themselves and tell us a bit about yourself. Don't forget to bring something for Show and Tell so we can see what you are working on. Also in January, the Embrace Organization will come share their mission and how we can be of assistance.

We will have sign-up sheets for all kinds of things at the meeting. Make sure to stop and volunteer for things if you would like to be more involved this year.

Looking forward to a great year!  
Debra

Many thanks to our members who have volunteered  
as officers and committee chairs  
Your time and contributions to the guild are appreciated!

## Block of the Month by Janice S

We are starting a new Block of the Month for 2026. It's a mystery quilt with a different block each month.

Most blocks are in the "confident beginner" range. I'll share video tips and tutorials for anything that might be a little more challenging. All the blocks are machine-pieced (no applique'). There will be a setting for the quilt provided in early December 2026. I will also have some fun bonus projects to share with you along the way. I hope you'll join in the fun. Can't wait to see your blocks at Show 'n Tell.

### A Quilting Life Mystery Block of the Month 2026 Fabric Requirements

## Guild Officers – President role demystified!

I realize this is January and we are just starting the year so it may seem a bit early to talk about Board members for 2027, however, the entire board turns this year, and we need your help. Each month a different office will be highlighted and explained to take some of the mystery away from the position. This month we will discuss the role of President.

We cannot have a board without a President. I realize the title 'President' brings fear of the amount of work it takes, the fear of talking to people and just the intimidating title of 'President.'

The duties of this position are not that demanding; this is what I do:

- Prepare the board agenda
- Attend and run the board meeting
- Prepare the general meeting agenda
- Attend and run the general meeting
- Be a signatory on the Guild checking account
- Write a newsletter article – write as if you're talking to your friends

It would be great if someone would like to shadow me this year or for the last few months of the year to get a feel for the position. If you are remotely interested, attend one of the board meetings and get a feel for the role.
