### Chisel Block:

To make one Chisel Star you will need 4 main color 3" X 5 1/2" rectangles, 4 white 3" X 5 1/2" rectangles, and 4 white 3" squares.

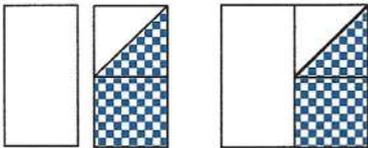

Draw one diagonal line on each 3" square.

Place the 3" square on one corner of MC rectangle as shown.

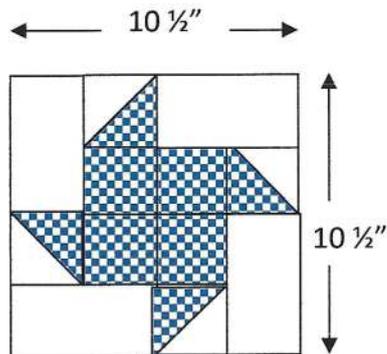

Sew on the drawn line. Cut away 1/4" away from sewn seam. Press seam open. Make 4.

Sew one white rectangle to the left side of the "chisel" rectangle.

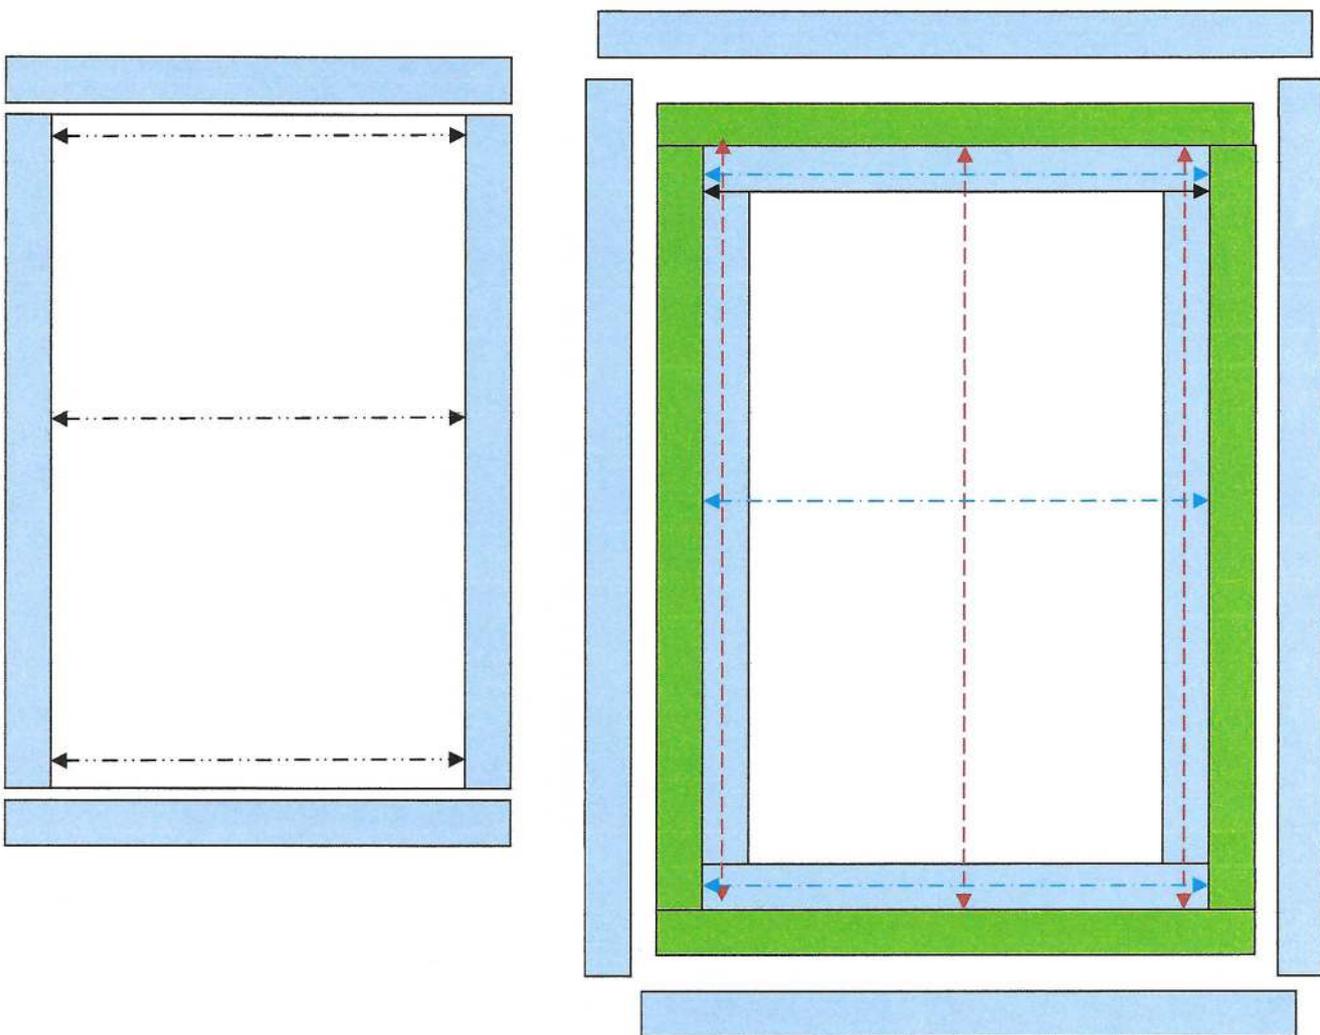

Make four chisel rectangle units. Each unit measures 5 1/2" X 5 1/2"

Arrange four chisel block segments as shown to make Chisel Star.

## Adding multiple borders to your quilt.

1. Side borders: measure the length of your quilt through the center length, the length of quilt along the left side about 3" in from the edge, and the length of the quilt along the right side about 3" in, as designated by red arrows in left diagram below. Add these three measurements together, divide by 3 and this will be the length to cut your side borders.
2. Mark side center of quilt and center of side borders. Pin left border to quilt at center, top, and bottom. Sew in place. Repeat to add the right border.
3. Top and Bottom borders: measure the width of your quilt across the center, across the top about 3" down from the top, and across the bottom about 3" up from the bottom designated by blue arrows in diagram below left. Add these three measurements together, divide by 3 and this will be the width to cut your top and bottom borders. Mark border strip centers and quilt centers, pin and sew borders into place.

Repeat steps 1 - 3 for each additional border; this will insure a more square quilt top and less ripple in the borders.
