Block Three (option)

OR

## Complimentary block for use with 10 1/2" Echoes Block'

### Push in the Corner:

Materials for one block: Four 3" x 5 1/2" white rectangles, two white 4" squares, 2 main color 4" squares, one 5 1/2" center focus block.

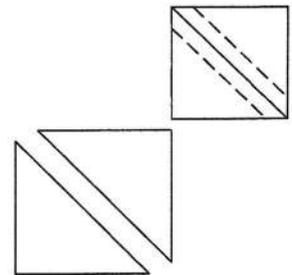

Making hst: Draw one diagonal line across each white 4" square.

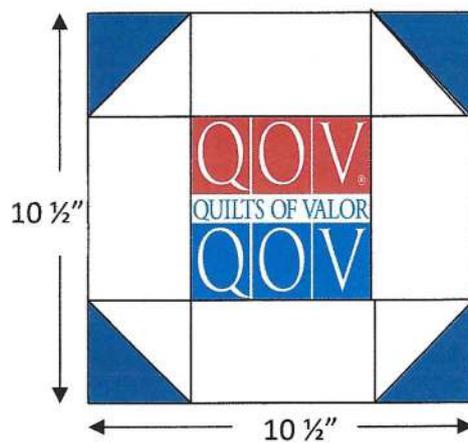

Place one white square, right sides together, on top of one MC square.

Sew 1/4" on each side of the drawn line. Cut apart on the drawn line.

Press seams open. Square to 3" x 3" .

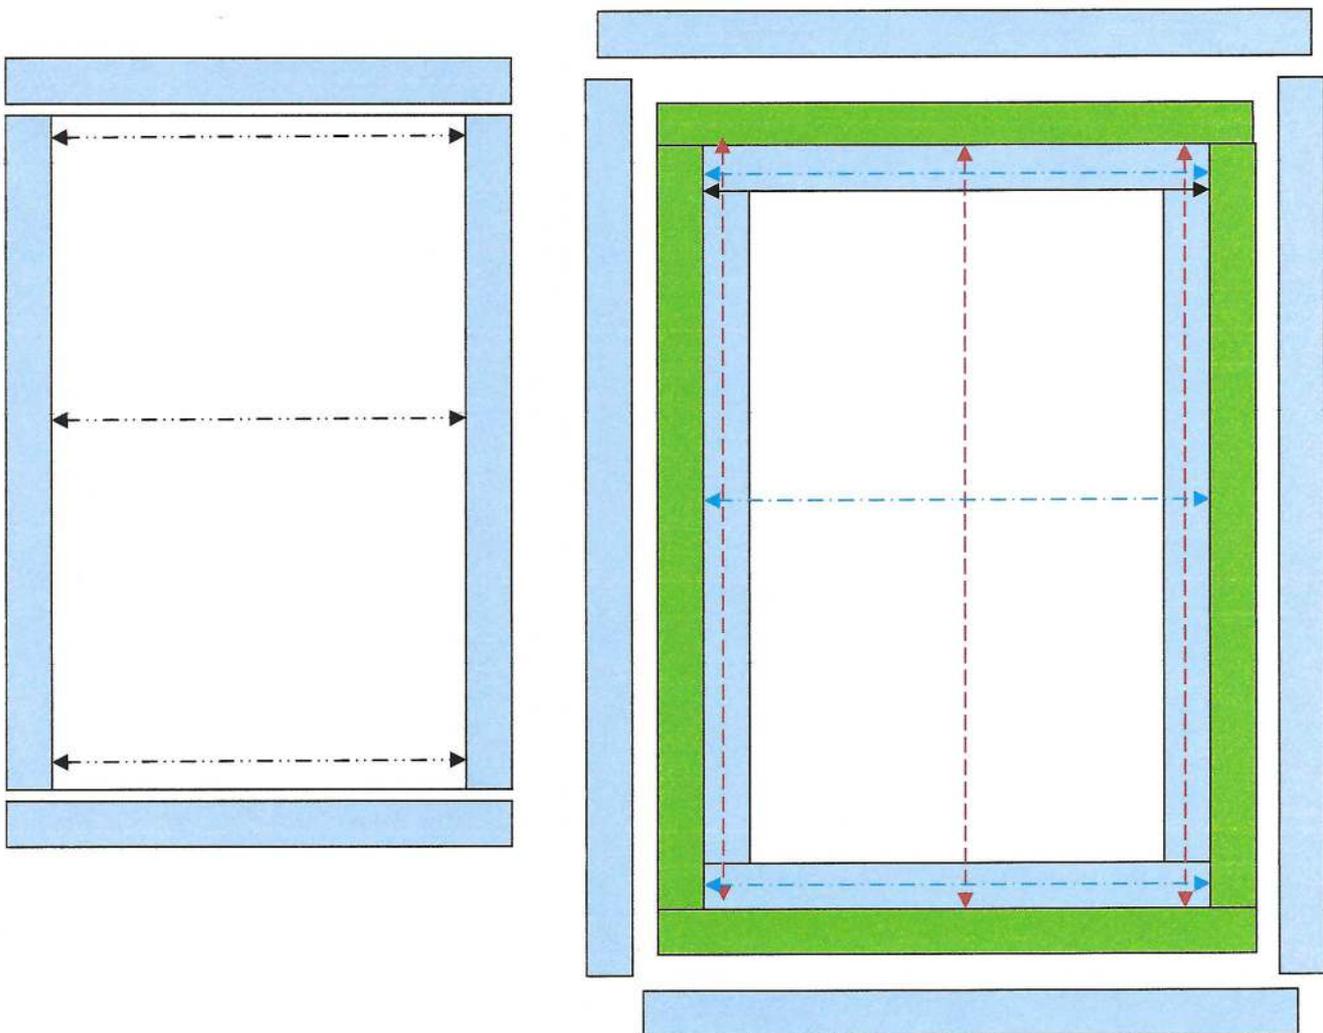

Assemble pieces as shown below:

## Adding multiple borders to your quilt.

1. Side borders: measure the length of your quilt through the center length, the length of quilt along the left side about 3" in from the edge, and the length of the quilt along the right side about 3" in, as designated by red arrows in left diagram below. Add these three measurements together, divide by 3 and this will be the length to cut your side borders.
2. Mark side center of quilt and center of side borders. Pin left border to quilt at center, top, and bottom. Sew in place. Repeat to add the right border.
3. Top and Bottom borders: measure the width of your quilt across the center, across the top about 3" down from the top, and across the bottom about 3" up from the bottom designated by blue arrows in diagram below left. Add these three measurements together, divide by 3 and this will be the width to cut your top and bottom borders. Mark border strip centers and quilt centers, pin and sew borders into place.

Repeat steps 1 - 3 for each additional border; this will insure a more square quilt top and less ripple in the borders.
